Simma and Brett, sorry for the delay in providing my comments. I think this version is easier to follow than the previous paper. I do have a few comments and questions for your consideration.

Thanks again, Kathy

P.S. I've copied Dolores here as she is the programmatic co-lead on AZ in OWOW (with all the rules here, we are trying to make sure more than one person is up to speed on the issues so as not to cause delays here while crunching on other rules).
