All, sorry for the quick turn around, but Tom and I thought it might be good to all touch base and send a single set of comments back to John (especially due to the tight turnaround and managers being in meetings).

Tom is touching base with Mary Walker and will see what we need to add, if anything, from the EPA-USACE meeting yesterday.

So, please review looking for fatal flaws.

Adding Carrie to the invite knowing Simma will just be getting in at this time.

thanks
