Deliberative

Dave, David, Susan and Mary,

Attached is the draft Response to Comments on the State of Florida's Program Submission Requesting to Assume the CWA Section 404 program. This document reflects input from OW, OGC, OECA and Region 4 (WD and ORC) and has been forwarded to the Office Directors for their review. I am sending it now to provide the maximum amount of time for your review. The document may still have some editorial issues (e.g., there a comment bubble that we are working to remove) and formatting errors. We are continuing to review and address those issues.

Within the document itself, we have highlighted and inserted comment bubbles to identify the sections that you received earlier for review. Please let me, Tom McGill or Rosemarie Kelly know if you have any technical difficulties with the documents. Once we receive your comments we will revise the document and start the final routing process, along with other documents.

During our call tomorrow, we will provide you with updates on any remaining documents and timing for finalizing materials.

Thanks
Jeaneanne
