Thank you, Kelly – I suggest the tweaks highlighted in blue (and I'll make the same edits on the letter in the launchpad folder).

Subject: Draft email language for Complete Package Notification

All,
Below is a draft for the notification email Mary would send to Corps, USFWS, and NMFS. To keep this as simple as possible I've lifted the opening paragraph of the notification letter to other agencies and inserted minimal language to indicate the package is being provided through OneDrive. If you have any suggestions for additional language please reply-all to this email.
