Subject: RE: Comments of the Miccosukee Tribe of Indians of Florida draft Programmatic Agreement - NHPA Consultation Re: State of Florida 404 Assumption Program
Attachments: Comments to EPA- Florida 404 Assumption.pdf

Jeaneanne,

Attached please find the comments of the Miccosukee Tribe of Indians of Florida on the draft Programmatic Agreement and NEPA Consultation regarding the State of Florida's 404 Assumption Program. The Tribe is aware that EPA imposed an artificial deadline of Friday, December 4th which was truncated and difficult to fully evaluate such an important endeavor and ensure time for government to government consultation, the Miccosukee required additional time to fully respond. Because these are formal comments from the Miccosukee Tribe for a program that had widespread impact on the Miccosukee lands and its people, approval of same must come from the Miccosukee Business Council. The Business Council met today at a regularly scheduled meeting. These comments were presented for consideration, the Council reviewed same and formally voted and approved them for signature and to be entered into the records. Please provide written assurance that these comments will be considered and will become part of the formal record as it pertains to this project.

Should you have any questions, please feel free to reach out to me at your convenience. The Tribe thanks you for your time and effort in this matter.

Kind Regards,

Jeanine
