Subject: draft ESA issue paper re: 404 assumption
Attachments: Draft FL MOA language on ESA 5-2v2.docx; Proposed Path on FL ESA 5-2.docx

Jeaneanne – Attached are documents that include: (1) an issue paper regarding the proposed path forward for how ESA will be handled in 404 assumption; and (2) potential additional language that would be added to the draft EPA-FDEP MOA to address ESA. Please let us know if you have any questions or need any additional information. Tom

OWOW and R4,

Attached are the draft documents proposing a path forward on the ESA issue that has arisen in the context of Florida trying to assume the CWA 404 program.

These have not yet been reviewed by our Front Office, so they may undergo changes. Please do not share them outside of the Agency at this stage.

Please contact me, Alexis Wade, or Dawn Messier with any questions. Many thanks to Alexis and Dawn for their hard work on this issue.
