Here are my initial edits, I have to say this is a strange format, and does not seem to follow what Jeaneanne wanted; a list of issues explained, then 2 or so pages of details.

Hi, folks –
Attached is a start on an RA briefing paper, due to Jeaneanne by noon tomorrow. It's not done, particularly as I haven't gotten to the walk-through of the stakeholder ESA flow chart Jeaneanne asked for. It's getting late, though, so could you take a look at what's here so far, especially filling in any details from this morning?
Thanks,
Rosemary
