Attachments: draft email_rev1.docx

That was an unfinished draft I sent yesterday. Sorry about that.

Attached is the draft I meant to send, with a few additional changes to reflect Yolanda's comments from this morning. I moved Yolanda's comments that I thought still apply into the attached draft.

Wayne Praskins | Superfund Project Manager
U.S. Environmental Protection Agency Region 9

Yolanda – Thanks for your quick review. I think I sent you a halfway edited version by mistake yesterday. I'll follow up in a bit after I figure out what happened to my fully edited version.

John/Yolanda –

Please see attached for updated email. I proposed quite a few changes; you may want to view in "Simple Markup."

Wayne, EM did not get the below email before the Navy's letter, so EM would like us to rework it based on the Navy's response. He also said that before the week ends, he wants to discuss a strategy for responding to the letter. Yolanda, Briana, and I discussed it a bit today. Look over their response tomorrow morning and maybe we you, Yolanda, and I can talk tomorrow, and we can pick a time to speak with Enrique later Wed or Thursday.

Thanks, John

Below is a draft email that the HP team developed. We discussed about sending to HQ, to get them working on a few issues that will need to be addressed in resolving the BPRG issue. It would be great if you or I could send to Greg and Dana since we briefed them before sending out letter to the Navy and they concurred with the approach. Please let me know what you think. Thanks.
