PETE LYNCH - WATER ENF. DEP

U.O.P. — administrative order.

- state negotiating with UOP to finalize
- hearing scheduled for ~~next~~ last week
  plan for RI/FS came in to late so postponed hearing.
- hired Geraghty & Miller — proposed a groundwater investigation — did not address sediment in creek or soil sampling (old lagoons, airlines, then general soil sampling)
- Basically accepted proposal have draft order and awaiting response.
- hearing scheduled in June.

statement for Jackie —

- negotiating an administrative order with state
- if no progress by first week of June, will have hearing to pursue legal remedies.
