Rob,

I'm thinking that the Previous Site Work file is the one that I was looking at last week. I looked for a more comprehensive file but unable to locate. I'll keep looking. In the mean time I also have a folder (cant attach here) that would likely be useful to SRC that I will share.

Also, I am currently available for a site visit in Utah during the week of May 13, and the week of May 20.

Cordel
