Mondays are always tough for me. Anytime Tuesday after 1:00 works great!

Thx.

Dear Bill, Alex and Paolo,

I'm assisting with the EPA SRI webinar on January 28th. You should have just received a calendar invitation to the webinar, which I will populate with more information as we get closer to the webinar date.

I'm hoping to schedule a time early next week for everyone to meet to discuss the webinar agenda. Do you all have any specific times early next week that would work best for you?

Also, it would be great to go ahead and schedule a technical review of the webinar interface ahead of the webinar, are you all available in the afternoon (ET) of either January 22nd or January 24th for this technical review?

Please let me know if you have any questions or concerns.

Thanks,
Josie Torres
