Subject: Bio augmentation at Ameren Huster Sub
Date: Wednesday, June 29, 2022 10:10:14 AM

Tonya and Feyi

This is to inform you that the approved bioaugmentation for Huster substation will start next Wednesday, July 6th. It should take a week to 10 days to slowly add all the nutrients and "bio bugs" into the various locations.

Let me know if you have any questions or want to be present.

Barbara Miller
