Hi Stacie,

Attached is the Hanover Foods Corp 2/4/2021 Inspection Report and Attachments. I provided two versions of the document for you to sign. The content is exactly the same, the difference is that one is all inclusive and the other is the report without the attachments, just in case there are size limit restrictions and I need to send separately when emailing it to the permittee.

I've also attached the completed and signed peer review form.

Best,
Amanda
