Yes. He called and caught me on the phone. I decided to probe about dates. I casually mentioned things we had been kicking around. He ran with it, so I tried to clarify.

Gina,
I anticipate at least a month after the teleconference to finalize the BaP report. I'd like to talk with folks here about the NAS February meeting and approaches implications. Let's circle back after we each chat with respective teams. I believe we are all back in the office Monday.

I am here through 23rd.

Happy Holidays & HoHoHo

Best
Tom

Thank you!
Can you remind me again what timeline would look like for having a final-ish report we could work with?
Our next IRIS public meeting is in February and we would have to lest NAS know this week, if we were going to be able to talk about B[a]P there.
I get that you'll post the draft report and the committee with have a telecon. in late January.
But any idea how long it will take to edit and finalize? And then to go through the chartered SAB?
Just looking for estimates and next steps. I know how hard it is to predict exact timelines.
Thanks!!
And happy holidays!! ☺
