Hello Maureen—The materials will be the same as those included in the Sept 24 calendar entry. I'll begin with a brief summary of SAB comments on Ammonia and Ethylene oxide, then go through the 6-month outlook.

The files are attached here for your convenience.

See you all Tuesday afternoon,
Vince

Hi Gina,

Just a reminder – if you have any materials for tomorrow's meeting with Matt, can you send them to me to forward on to him before 3pm?

Thank you!

Maureen
