Lynn,

As we discussed yesterday, **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP) To that end, similar to what we have done for the database UF issues, I have pulled together a short write-up of our interim decisions (and their rationales) for the use of $BW^{3/4}$ scaling in NCEA assessments.

I have attached this write-up for your review once you return from Germany.

Have a good trip!
