Subject: RE: BaP Executive Summary, Web Language and Toxicity Values
Attachments: BaP Toxicity Values for Chemical Landing Page-KN.docx

I'm sending some corrections. I haven't looked at all the documents yet. A Ex. 5 Deliberative Process (DP)

Subject: BaP Executive Summary, Web Language and Toxicity Values

Hi Kathleen/Vicki – Attached to this email are several documents for your review. Let me know if you all have questions or comments on them. All of these files need to go to Maureen.

- **Toxicity values for the chemical landing page:** Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

- **Web Language:** Two documents attached. One is the text for the Interagency Science Discussion Draft EIMS Webpage and the other is for the final webpage. Take a look and let us know if anything looks weird.
- **Executive Summary (aka the IRIS Summary):** Melissa helped me this morning pull out the executive summary from BaP and make it the IRIS Summary. Take a look and let us know if everything looks appropriate. Vicki let us know if we missed anything. Ex. 5 Deliberative Process (DP)

Thanks!

Dahnish
