Hi Jeff,

Please complete the SSC request below. I know you are working on the MOA for DBP, but the below assignment shouldn't take long. You should be able to prioritize this work first while also working on the DBP assignment. Please let us know if you have any questions. Thanks!

Hi Jeff, I would like to have you complete a task I have started. Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I am hoping this shouldn't take too long. A couple days should probably be enough. I am hoping you can get started right away as BaP is on a very tight schedule. If you have other tasks that might interfere, let us know and we can help you prioritize.
