Hi Ravi and Andrew –
I just wanted to take you back to the meeting we had on Dec 4 about the IRIS website and the assessment histories. I want to try to have the tables on each chemical's website updated. Have you had a chance to take a look at that spreadsheet we discusses and see if you had any changes? Let me know if you want me to send you the spreadsheet.

These are from the notes that I sent to Maureen about what we wanted to do:

Thanks - Vicki
