Good Morning Ms. Newhouse

I apologize for the late reply. We were hit really badly by the storm and as an ORAU contractor, I am not allowed to telework. If you were also hit by the storm, I hope that it was not too bad on your end. I have made the suggested corrections. I am attaching the revised document to this email. Please let me know what you think.

Thanks Kobina, this is coming along quite nicely! I have a few suggestions below:

Ex. 5 Deliberative Process (DP)

Let me know if you want to chat about this, or if it is unclear we can share screens over skype.

Thanks for your help.
