Good to hear! He doesn't say much to me—at times feel a bit how Jamie must have felt towards him. At least I'm starting to think finishing this might not be so bad...

Great thanks. And thanks for your work writing up points for issue 1 and 2. Vince mentioned a few times that he really like the materials we put together.

Hi Karen, I anticipate you will be busy finishing up your packing today. When you have time (later on this week, next week?), I anticipate needing help on some calculations for issues #1 and #2 (highlighted below). It's not a big rush, I am just trying to organize and divvy out BaP related work.
