---

I know this is a lot; not all needs to be read before tomorrow! I suggest Tom focus on:

1) the Final NGS Statement
2) NGS Briefing Paper Feb 2012
3) NGS Hearings Presentation final

The 2013_0925 NGS supplemental proposal is what the hearings this week are about. It is based on the 7-25-2013-NGS-TWG agreement-FINAL. Those are for future reading/reference.
