Hi Debbie,

Attached is the revised briefing paper on NGS that includes the edits as we discussed last week. Ann has reviewed it. Given all of Colleen's computer issues these past few weeks, I believe Colleen has not yet reviewed this new version.

Please let me know if you have any edits to this. If not, please let me know if you prefer to send it to Janet and Jared directly, or if I should email it to our normal contacts for their offices (Emily, Abi, Teddy, etc)?

Thank you!
Anita
