See answers below. Thanks for the reminders on what has happened in the past. Let me know if you have any questions.

Heads up for you all as well – Bob is on leave starting August 27 and not back in the office until September 8. He will not be online for the bulk of that time, so will need to get things to him in time prior to review or expect review after the 8th.

I am also crafting an SOP of sorts that reflects the past discussion on this – will run it by Bob and then send to you guys as well.

Hi Maureen –

I just wanted to give you a heads-up about a few chemicals coming your way and their status.
I also have a few questions and want to confirm what is/is not needed at this time.
