Re: Case No: FIFRA-04-2020-0703
Amendment to the Stop Sale, Use, or Removal Order

Dear Mr. McCarthy:

Enclosed is an Amendment to the Stop Sale, Use or Removal Order (SSURO) issued by the U.S. Environmental Protection Agency on April 20, 2020, to Seal Shield, LLC (Seal Shield) pursuant to the authority set forth in Section 13 of the Federal Insecticide, Fungicide and Rodenticide Act as amended (FIFRA), 7 U.S.C.§ 136k. (hereinafter "Amendment to the SSURO"). This Amendment to the SSURO shall become effective immediately.

This Amendment to the SSURO is being issued to authorize Seal Shield to ship a maximum total number of 10 ElectroClave devices to 2 laboratories (not to exceed 5 ElectroClave devices to be shipped to each laboratory) for the sole purpose of testing the devices to determine the ability of the ElectroClave to destroy viruses on selected surfaces.

All other provisions and terms of the SSURO issued on April 20, 2020, remain in effect until the EPA terminates the SSURO. Please contact Marlene Tucker of the EPA Region 4 at (404) 562-9536, if you have any further questions regarding this amendment.

Sincerely,
