Quick update – Carol signed the SSURO. It will be transmitted as soon as Seal Shield's counsel is notified it's on the way. Shooting for a press release today, but may be early next week. The draft is under review at the HQ press office. In the process of touching base with George to make sure he's in the loop.

Royan was able to speak with Kimberly and Alan in Region 4 about Seal Shield. They were shooting to get a SSURO out last week but received some additional comments from the attorney. The Regions is now targeting today or tomorrow to get the SSURO out. WCED will continue to follow the issuance of the SSURO.
