Re: Case No: FIFRA-04-2020-0703
Partial Termination to Stop Sale, Use, or Removal Order

Dear Mr. McCarthy:

Enclosed is a Partial Termination to the Stop Sale, Use or Removal Order (SSURO) (hereinafter "Partial Termination") that the U.S. Environmental Protection Agency is issuing to Seal Shield, LLC (Seal Shield), pursuant to the authority set forth in Section 13 of the Federal Insecticide, Fungicide and Rodenticide Act as amended (FIFRA), 7 U.S.C.§ 136k. This Partial Termination shall become effective immediately.

Pursuant to the Partial Termination, the EPA is terminating the provisions of the SSURO that prohibit the sale and distribution of the products identified as "unregistered pesticide products" in Section V, paragraph 46 (A) of the SSURO issued on April 20, 2020. The Partial Termination does not apply to the misbranded pesticide device, the ElectroClave UV Disinfectant/Device Manager (ElectroClave device) identified in paragraph 46 (B) of the SSURO. All of the provisions of the SSURO and the Amendment to the SSURO applicable to the ElectroClave device remain in full effect unless and until the EPA revokes, terminates, suspends, or modifies the SSURO.

The Partial Termination is not a waiver by the EPA of any enforcement or other authority available to the EPA under FIFRA nor shall it act to release Seal Shield from any potential liability for violations of FIFRA that may have occurred prior to, or subsequent to the issuance of this Partial Termination.

Any violation of the terms or provisions of this Partial Termination or any of the remaining applicable provisions of the SSURO may result in the initiation of an enforcement action seeking the imposition of civil penalties up to a maximum of $20,288 for each violation, or, for knowing violations, criminal penalties as prescribed in Section 14 of FIFRA, 7 U.S.C. § 136*l*.

Please contact Marlene Tucker of the EPA Region 4 at (404) 562-9536 or via email at tucker.marlene@epa.gov if you have any questions or concerns regarding the Partial Termination.
