In follow up to my original message below, I want to share a few more details regarding our planned virtual farewell for Joe. At this point, we are targeting 4:30 as the start time for remarks. I'm already aware that several people from the OGC IO, as well as someone on behalf of the OCSPP IO, would like to say a few words. If there are any others, please reach out to me by email so I can make sure to turn to you at the appropriate time. I can send a separate calendar invite specifically for 4:30 if that would be helpful for anyone interested in providing remarks at that time. If you can't be there at 4:30, but would like to say something when you do join, just let me know (again by email) and we will absolutely accommodate you. After the remarks have concluded, there is a plan afoot to engage in a bit of a trivia challenge. If there are any questions about any of this, please reach out to me. Looking forward to seeing and hearing from everyone tomorrow. Thanks!

All are invited to join in PTSLO's impromptu virtual farewell for Joe. In the main, we will be saying goodbye, but also sharing our stories, funny or not, of our shared time together since Joe joined PTSLO as our Associate near the end of

2018. Please feel free to forward this invite to any/all that might be interested in joining. If anyone has any questions, please don't hesitate to reach out to me.
