Here are the FY 22 narratives I mentioned in the last email from me to assist you in responding to the FY 22 T&I questions due to OW by Wednesday. You should be receiving the link to access the questions from Kerry Kuntz. Also attaching the Qs and As related to Cyber, Lead, Equity, EJ, and DWSRF (Attached the WIIN grant narratives and latest fact sheets to help with EJ/Equity), we have from last month for SEPW's budget hearing. If you could edit on-line that would be super. If you'd rather do it off-line, I can make sure they are included in the online file. Please address your questions by COB tomorrow.

Best,
