Hi Russell,

I was wondering if you could look through your emails and let me know if you have any that apply to the FOIA around the petition for rulemaking associated with Coffee Creek and Mossy Lake. I spoke with Renea, and although these emails are not responsive, we may have to submit a list of all the documents that we are withholding. I am going to email LaGayla right now to determine how that is dealt with. I have also attached the FOIA control slip to this email for your reference. I think I was copied on most of these emails, but just want to double check.

Hope you are recovering well.

Thanks,
Karen
