If we can award around Dec 1, it would be 34 months. I would go with that. 10 (yr 3) +12 (yr4) + 12 (yr 5).

Please let me know how many months they should factor. Maybe 10 now?

Thank you.

Hi Maureen

I just have one question now

- Our initial submittal assumed a 1 November 2020 start which resulted in a POP of about 35 months. Should we stick with the 35 months or?

Also if you have a minute today or Monday for a quick call I have one other item I wanted to touch base with you on

Thx

Subject: DES CLIN 1, General Electric/Housatonic River Superfund Site, Request for Work Plan and Cost Proposal

Good afternoon,

EPA Region 1 is requesting a workplan and cost proposal for the General Electric/Housatonic River Superfund site under JV HDR-APTIM LLC's CLIN 001 RAF DES Contract number 68HE0318D0009. **Please note, there is currently a pending protest associated with this site. While we are able to continue to move forward with fair opportunity, an award of an order for the subject site will be withheld if necessary pending resolution of the protest.**

Attached is the scope of work for this site. A cost reimbursable fixed fee task order with a period of performance from date of issuance thru 09/2023 is anticipated for this site. If awarded, the resultant Task Order will be in accordance with the terms of contract 68HE0318D0009 and all clauses therein. In addition to the current contract clauses, the task order will also include FAR clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment, see related representation requirement below.

Instructions:

- Submit the conflict of interest certification required in H-6 Local Clauses EPA-H-09-106 TASK ORDER CONFLICT OF INTEREST CERTIFICATION ALTERNATE I to me within 7 calendar days of this RFP.

- Submit a completed representation of the attached provision FAR 52.204-24, Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (AUG 2020) in accordance with the attached solicitation modification (SF-30).

The work plan and cost proposal shall be submitted as follows:

- Proposal will only be evaluated with A&E team subcontractors which were included in the awarded DES base level contract or those A&E team subcontractors that were

approved or consented to thereafter by the contract level ACO. The fair opportunity process will not be paused or delayed for resubmissions to comply with this direction. **Contractors proposing A&E team subcontractors that were approved or consented to after contract award shall include evidence of the ACO's approval/consent to ensure the proposal is considered otherwise the proposal will be considered non-responsive.** Any subcontractors for non-A&E services (drilling, fencing, etc.) will be addressed by the TOCO at the TO level if consent is required.

- Include a work plan and cost proposal for tasks noted as "Order" and "Partial Order" in accordance with the format described in Appendix B, Attachment A of the Reports of Work of the contract. Include narrative and costs at the ***subtask*** level and include descriptions of assumptions where necessary. The offeror shall also submit the TO Proposal Chart (attached) to demonstrate the costs by year.

- Include a ***separate*** work plan and cost proposal for tasks noted as "TBD" in the scope of work in accordance with the format described in Appendix B, Attachment A of the Reports of Work of the contract. Assumed level of effort is provided for each task in the scope of work. Include narrative and costs at the ***task*** level and include descriptions of assumptions where necessary. The offeror shall also submit the Estimated Cost and Estimated Fixed Fee Chart (attached) to demonstrate the costs by year. **IMPORTANT NOTE:** The Government is not obligated to pay any estimated costs or fixed fee in the offeror's proposal for TBD tasks. EPA will request a definitized cost proposal from your firm for the TBD tasks if/when they are required.

Any questions regarding this request are due no later than **09/09/2020 3:00PM EST** and shall be submitted via email to me and the EPA ccc'd recipients of this email.

The Work Plan and Cost Proposal is due no later than **09/23/2020 3:00PM EST** and shall be submitted via email to me and the EPA cc'd recipients of this email.

Confirm receipt of this email.

Thank you.
