Subject: Colorado Initial Notification of Potential Exceptional Event (9/2/17 & 9/4/17)
Attachments: 2017 EPA Ozone EE Notification Letter.pdf

Richard,
Attached is a letter of Initial Notification of Potential Exceptional Event for ozone events on 9/2/17 and 9/4/17 in the Northern Front Range. The wildfire smoke component of theses events and its significance to the observed elevated ozone concentrations has been evaluated and verified. Please feel free to contact me with questions or comments.

Regards,
Greg
