You're welcome! I have a few meetings on my schedule today but I spoke with Jason Williams and Robert Cole. I will give you a call as soon as I have break in schedule.

Thank you for the update, Alayna.
I'll give my friends at DHEC a call..... who did you talk with?
Ken Taylor, Robert Cole, Henry Porter?
If you could still give me a call I would be most grateful.
Very Respectfully,
Dave

Our comments were sent back to them and we were working together today to clarify comments and discuss what revisions need to be made. It was a very productive call and once we are able to receive the final version of the report back, it will be approved, and sent to our records center. Thank you for your patience throughout the review process. I hope you have an amazing week!
