Kathleen,
I just want to let you know that the comment period was extended by 21 days. There will be a memo to the docket and the official deadline will be changed, but might take a day or two.
In the meantime, I'm sending you a copy of the letter the office sent to the stakeholders that asked for extension for all chemicals,
Ana

Subject: NMP Producers Group - Extension Request for Problem Formulation comments

Appended is a letter from the N-Methylpyrrolidone (NMP) Producers Group, Inc. (NMP Producers Group) requesting that the U.S. Environmental Protection Agency (EPA) extend the deadline for public comment on the Draft Problem Formulation of the Risk Evaluation for NMP by an additional 30 days.

Thank you in advance for consideration. We look forward to receiving your response.
