November 04, 2016

To: PIAGGIO GROUP AMERICAS, INC. For goods listed below and associated with Entry **WDN-41008518**

You are required to effect or initiate the EXPORTATION OR VOLUNTARY ABANDONMENT FOR DESTRUCTION of the goods listed below, pursuant to 19 CFR 158 Subpart D, under CBP supervision, within 30 days of this Notice. Any request for an extension must be made in writing. The importer must pay all charges accrued to the goods under Detention.

Failure to take affirmative action pursuant to this notice could result in the assessment of duties and fees, the seizure of the goods and other possible actions permitted by Title 19 and related authorities.

The items listed below are excluded from importation into the Commerce of the United States because they fail to comply with EPA regulations. The noted goods are in violation of the **Clean Air Act** and in violation of section 203(a) (1) of CAA, 42 U.S.C.7522 (a) (1), regarding internal combustion engines.

Items found to be in violation:

- Model: TYPHOON Year : 2017 QTY : 68

The required CBP form CBPF-**7512** or **CBPF-3499** must be submitted to the Dock Exam tray located on the 8th floor Selectivity counter, 301 E. Ocean Blvd. Long Beach, CA 90801, attention CBPO GILKEY. Include the following wording within the body of the 7512 "Refused Admission by EPA. For export only."

Exportation must be to a noncontiguous country. Voluntary Abandonment and Destruction, if requested, will be under CBP supervision at the expense of the importer. The importer, whether requesting re-exportation or voluntary abandonment and destruction, is responsible for all charges associated with the ongoing detention of the prohibited goods.

For further clarification on this matter you may contact the detaining officer, CBPO GILKEY, at 1(310)763-0601ext 2346 **DERRICK.L.GILKEY@CBP.DHS.GOV**.

Sincerely,

MCCRILLIS, F
Supervisory CBP Officer
