That sounds good Kate, I'll let Sury know.

Did we have a meeting this morning at 9? It didn't show up on my calendar, but then I just had one of those "overdue" meeting notices pop up. I know we were changing the times a lot last week, I apologize if I got lost in the shuffle.

Hi Catherine and Nagu,

Just a heads up that it would be good to touch base briefly tomorrow on the status of the formaldehyde genetox effort. Hope it is going well!
