Hi Kate,
Thank you for your constructive comments. I will discuss your comments with Barbara and FA Team. It seems they are following the recent template suggested by the IRIS Program.

Bob

Hi Bob,

Thank you for the opportunity to review and comment on the appended formaldehyde "front matter" section. I've included specific comments for your consideration in the appended file. In addition, I'd suggest some changes to the organization. Ex. 5 Deliberative Process (DP)

Do let me know if you have any questions.

Thanks,
Kate

Hi Kate,

Please see the attached two sections of the formaldehyde document for your review. Please review these sections keeping in mind if they being responsive to the NRC recommendations ,if not , suggest specific track changes and send me your review comments by April 22,2013.

If you have any questions, please contact me.

Thanks,

Bob
