Hi Fred,

Would the afternoon of Tuesday, 8/10 work for your team? We are running into some scheduling issues later on in July.

Thanks,
Devon

Thanks, Devon. It turns out that starting on the 26th, one of our key CRW team members will be on medical leave for a few weeks, so we'd really like to have this call before then, if at all possible. We were wondering if it might be possible to look at either Tuesday the 20th any time, or Wednesday the 21st before 3 pm ET.

Thanks, everyone. Fred, I will coordinate with EPA and DEP to try to find some alternative times.

Good Afternoon Everyone,
Unfortunately, DEP is not available at those times. Is there time the following week when we could meet?

Thanks, Devon. Looking at our schedules (taking into account vacations), it looks like the best days for the virtual meeting would be either Friday, July 16 or Thursday, July 22. Both of those days look pretty open for our team. Can you check those with your folks? Thanks.

Confidential Settlement Communication – Subject to FRE 408

Fred,

I have attached a proposed Modification to the 2015 Consent Decree for CRW's review. I have also attached a redline that compares the Modification to the version of the Decree that we filed in 2015. Where appropriate, we have removed or modified provisions to bring the document up to date—those edits are reflected in the redline. You'll also see a number of comments/questions for discussion. To that end, we would like to schedule a virtual meeting with CRW within the next 2-3 weeks. Please let me know what dates/times work well for your team and we will schedule the meeting.

We look forward to hearing back from you. Please don't hesitate to reach out with any questions in the meantime.

Thanks,
Devon
