Dear LeAnn:

We look forward to meeting with you tomorrow.

Unfortunately, I am not able to open the attachment you sent; for some reason our software is blocking access to the ZipDrive file for file security reasons. You might want to re-send the file in a different format, to the extent you want us to have the materials in advance of the meeting.

Thank you.

Cheryl, Rhett, and Kurt --

Thank you for being available to meet tomorrow at 1:00 to discuss our request that EPA issue a technical correction to the Ohio State Implementation Plan to remove a public nuisance provision. Attached is the proposed meeting agenda and background materials related to our request. Please let me know if there is anything else you need or if you have any questions.

We look forward to meeting with you tomorrow.
