Hi Mr. Thiede –

We are hoping to schedule a meeting with the Regional Administrator to discuss our request, on behalf of several companies, that EPA modify the Ohio State Implementation Plan. The SIP violates the Clean Air Act because it includes requirements related to non-criteria air pollutants. Numerous state SIPs have been revised to address exactly this error, as described in the attached communication.

Would it be possible to schedule a meeting to discuss this issue with the Regional Administrator? Time if of the essence because citizen suit actions are pending and being threatened based on the error in the SIP.

Thanks,
LeAnn

Ms. Williams –

Per my voicemail, attached is the letter I sent to Ms. Stepp on June 11. We would like to schedule a meeting with Ms. Stepp to discuss our request that EPA correct an error in the Ohio State Implementation Plan. Would you please let me know when Ms. Stepp would be available for a meeting. We plan to include several companies in the meeting that have been adversely affected by the error in the state SIP.

Thank you,
LeAnn

Dear Ms. Stepp:

Attached is a letter requesting that EPA correct an error in the Ohio State Implementation Plan, specifically, the incorporation of a public nuisance rule, which is unrelated to attainment and maintenance of the NAAQS.

Please let me know if you have any questions and thank you in advance for your assistance.

LeAnn
