Subject: RE: P-21-0125 consent order terms

Hello Carmen,

The consent order for this case has been sent to you electronically through CDX.

Please review, sign, and return the order to EPA through CDX. Note that the signed order must be returned in its entirety. Returning the signed signature page alone is not sufficient. Please let me know if you have any questions.

Thanks,
Will

Hello Carmen,

Your consent order is being reviewed. I will update you once the review process is finished.

Thanks,
Will

Hi James and William,

Any update on the consent order?

Thanks,

Carmen

Subject: P-21-0125 consent order terms

Hello. Here are the proposed terms of the consent order. Please let us know if you have any questions or comments. I will also send you the risk assessment as soon as I can.

-Dermal PPE and APF 50 respirator
-New chemical exposure limit of 0.72 mg/m3
-Hazard communication labels (skin irritation, eye irritation, reproductive toxicity, specific target organ toxicity, aspiration hazard, toxic to aquatic life)
-No release to water
-No use other than as described in the PMN
