This is a very thorough review in a relatively short period of time, good job Keith. I don't have any comments or proposed changes. Looks like there's more to come on this story…

Hi Loren and John

This Memorandum is ready for your review. Please review and let us know if you would like to discuss any proposed changes.
We are on a short turnaround with this project and would like to get a final to Enrique tomorrow. I have reviewed it and Keith has incorporated my comments.

Many thanks to Keith for his excellent work in a very compressed time frame!

Thank you all!
John

Hi John,

Please find attached the final draft Memo in Word (w/out the Simanonok Interview), and a PDF version with it. I think we are good to go now but LMK after your review.

Actually I did this regarding the DDT definition:

Ex. 5 Deliberative Process (DP)

- Add an Attachment B cover page for the Simanonok interview summary.

Let me know if you see anything further that needs to be addressed.

Yes, please add that definition from the RI
Good catch
