Importance:	High

Pat---

Here is a markup showing the changes that the trustee has requested. I confirmed that they are identical to language contained in the CPG trust agreement (except for changes from singular to plural), but you will want to confirm that for yourself. Please let me know if you have any questions or concerns.

The sooner you can let us know this is acceptable, the sooner we will be able to get this part of the process moving -- thanks for your attention to this.
