Hi Everyone –

Here is an updated version of the options paper, which incorporates the feedback from our discussion earlier today. Let me know what you think.

I'll start working on a separate document that provides the differences between the 1996 guidance and the draft guidance. That document will be more time-consuming.

Thanks much,
Bo

I'm about halfway through writing the comment period options paper, therefore I'll be able to send that to you tomorrow. The 24(c) guidance on our website needs to be consistent with the finalized version of this guidance document, therefore I'm pretty sure some changes will need to be made down the road.

Ex. 5 Deliberative Process (DP)

Do you think I could meet with you and Dan tomorrow morning so we can walk through this a bit more?
