Mike – this proposed letter seems fine. It's short and sweet but I think is on point.

Hi Mike and Dan,

Attached for your review is a response to several letters concerning the recent announcement on 24(c) re-evaluation. Please review and track changes to the OneDrive document by COB Friday 4/26.

We received three letters (AAPCO, NASDA, and NC Dept. of Ag. – see attached). The response should be the same for all three letters. This been approved by Tawanda Maignan and Bo Davis. Thanks!

Hi Tawanda,

This is a reminder to please review the draft response to the 24(c) letters by COB today.

FYI – We received yet another letter on the same topic from North Carolina Department of Ag. I expect to use the same response as the other two letters, so any changes you make to them I will use for the NC response as well.

Hi Tawanda,

We have received 2 letters in CMS about 24(c) – one from AAPCO and the other from NASDA (attached). I drafted the same response to both letters, using much of the same language from the webpage and the earlier press inquiry responses.

Please review the attached response letters and save changes to the OneDrive documents by **COB Tuesday 4/23**. Let me know if you need more time or have questions. Thanks!
