Subject: Peer Review Gorge Dam Project

Hi Mary Beth and Bill. Can you please allow Dave Pinter from FirstEnergy access to the OneDrive? FirstEnergy has agreed to conduct a peer review of the project thus far to see if they can help narrow down costs or find alternative solutions. I have copied him here so you will have his e-mail address. Let's also include him on any future meetings and project presentations. He will be in addition to Doug and Theresa.

Thank You.
