To whom it may Concern: 12-18-14

I am writing this letter on behalf of Tim Cournille.
~~on~~ On Friday August 22 I arrived at the shop after a days work. when 4:30 rolled arround I was in my truck waiting for Tim to arrive as we carpooled together. He arrived about Ten minutes late and as he walked to the Truck he looked extremely fatigued on his approach to the truck he opened the door and hunched over the seat and said he needed to rest for a while. I let him for about 3 min before I got him in the truck after which I drove him to St. Luke hospital and called his wife.

Sincerely

Cody J. Brown
