Here you go, Ed.

Need anything else?

Maria

Subject: SAC Transcript and Inserts

Attached is the edited transcript with the revised inserts and the final QFRs. Also attached are the individual inserts that the SAC editorial section (Elmer) requests. Let me know if you need this to be broken out differently.

Since we will not be using the TOC, I did rename the attachments—removing the number. Let me know what else you may need to meet the 2:00 deadline.
