Good morning,

Attached are inserts ready to go. Q: Is the table of contents required? I'd just rather not give them an easy checklist.

Secondly, I removed language saying documents will be delivered "on a rolling basis," since we in OCFO may not immediately receive them. I'm going to set a calendar reminder for six months from now to check and see what has been produced for the two we've committed to delivering once available.

Fingers crossed these get over today (maybe we send at or after 3pm; Henry's on the Hill at 2pm)!
