Thanks Bill. I would be honored to cochair with you if Greg decides that's the best course. I know that your experience in meeting planning would pay dividends.

Marc,

If no one else moves forward I would be happy to serve as a co-chair. But if someone else is interested, I have already been blessed to serve as an annual meeting co-chair-so it should be their turn.

Bill

Dear All,

Here are agenda topics that we will cover on today's call:

- Discussion of suggestion to have panel on ICS/how responses work
- Change format to more panels (modify strawman)
- Abstract submission opening/closing dates and format of online submission (SETAC office; Bruce/Greg to cover)
- Feedback on proposed speakers and develop plan for finalizing list and contacting individuals (many of us have provided lists, thanks)
- Co-chair needed--please consider assisting in this role.

Marc
